

SUPERVISOR'S CORNER

By: *Greg J. Goldstein, Town of Neversink Supervisor*

Columbus Day Reminder that the Town Hall will be closed on Monday, October 8th, in observance of Columbus Day.

Budget Time We will be putting together our proposed budget by the end of this month and, hopefully, keeping a very minimal tax increase for the residents of our town.

Cell Tower Update The town is working on an amendment to the Zoning Law for Cell and Amateur Radio Towers. It is my understanding that there is a very good possibility that construction will begin early 2008.

Code Enforcement Officer Our Code Enforcement Officer, John Perrella, is now at the Town Hall on a full-time basis. John is now available five days a week from 8 AM to 3 PM, and can be reached at 985-2262 ext. 302.

Dept. of Motor Vehicles The DMV will be at the Town Hall from 10 AM to 2:30 PM on October 11th and October 25th.

Giant Pumpkin Party Reminder that the annual Giant Pumpkin Party will be taking place on Saturday, October 6, 2007.

Hunting Licenses Hunting licenses are now on sale at the Town Hall for the 2007-2008 hunting season. The Deer Management Permits (DMP's) are also now on sale until October 1, 2007. See the Town Clerk for your licenses.

It's a Beautiful Day in the Neighborhood! Various groups/organizations from the community met on September 8th. Unfortunately, due to several other activities going on, attendance was not as expected. The groups will be getting together in the middle of October to try and come up with another date and time which hopefully will be more appealing with more community involvement.

Parks & Rec Dept. Tickets are still available for *Mamma Mia!* on October 24th at the Winter Garden Theatre in New York City. For more information or to sign-up, contact Jamie Brooks, Parks & Rec. Director at 985-2262 ext. 312. Be sure to check out other upcoming events on the Town of Neversink's website at townofneversink.org

Sewer Project Update Construction continues to progress nicely on the sewer project, as they are about three weeks ahead of schedule. I would again like to thank everyone for the patience and courtesy shown to the construction crews while they are working along the roads.

Transfer Station I am happy to report that the Sullivan County Dept. of Solid Waste has promised to have in place a "mixed paper" container. The container should be in place by the end of October.

If you have any questions or concerns, please do not hesitate to contact me at 985-2262 ext. 301.
