1. Highway Superintendent Preston Kelly was contacted by Tri-Valley School about establishing a **School Zone** designation on Moore Hill Road by the entrance to the school. Preston has spoken to the County and DOT about the process to designate a **speed zone** and school zone. Since this is a school making a request, a petition is not required; a letter of request from the school has been received.

A motion was made by Councilman Georgianna Lepke, seconded by Supervisor Richard Coombe Jr., to apply to the County of Sullivan for a speed limit sign with flashing lights on Moore Hill Road, put to a vote and UNANIMOUSLY CARRIED.
VOTE: AYES 5 NAYS 0.

2. Preston Kelly is requesting permission to **add one** more **person** to the **part-time employee list**, bringing the total up to nine. He needs at least four wing people from that list in order to have all his plow trucks operational during a storm.

A motion was made by Councilman Georgianna Lepke, seconded by Councilman Michael Mullen, to add a 9th part-time wingman for use as needed, put to a vote and UNANIMOUSLY CARRIED.
VOTE: AYES 5 NAYS 0.

3. Preston spoke to the Board about the possibility of **installing** a **double throw generator switch** on the **Town Hall** that could be used to hook up a **portable generator** to the Town Hall during an emergency. Preston will investigate the cost of a switch and the installation of it.
4. Preston would like to know if the Board would like him to start **cleaning up** the **damaged buildings** at the **old ball field** as long as the weather stays mild like it has been. The Board approved but asked that Preston take pictures to document the work.
5. The necessary **FEMA paperwork for Hurricane Sandy has been filed**. Preston estimates the damage figures to be around **$80,000**. Labor is included in the amount.
6. Preston would like to inquire about the possibility of **improving** the **turnaround** at the **end** of **Davis Lane** on the **Brooks-Morgan property**. The family is talking about selling the property and Preston feels that the opportunity exists to speak to the family about changing the road to get an adequate turnaround to accommodate larger vehicles. The Board was all in favor to have Preston approach the family on this matter and proceed if they are in favor.
7. Preston got quotes to **repair** one of the **Oshkosh trucks** and went with the lowest quote of $2,300.00 by Truck Pro for the repair of a seal. Upon making the repair it was discovered that the cam shaft was bad and needed to be replaced. That increased the repair by another $5,000.00. The repair bill is in tonight's abstract.

***Prior to Supervisor McCarthy's excusing himself from the meeting, Councilman Lepke asked for a moment of silence for Mark and his Mom.*
