- **Diana Weiner**, Sullivan Renaissance, presented a photo plaque to **Dave Moore**, Neversink Renaissance, for their 2016 Winning Project in the Community Grant category. Dave Moore thanked the Town Board for all their support.
- **Robert Hayes**, teacher at Tri-Valley School, has studied the fields at the Route 42 Community Park with his students and presented his findings on the soil and the turf conditions at the park's fields.
- **Fernando Costa** gave a field update. He also inquired about the status of the installation of the electric. Supervisor Mathews feels that the town should look for someone else to do the electric work as the original volunteer has not starting the work and is not returning calls. The plumbing is in the process of being roughed-in by Dave Trestyn.
- **Jamie Dymond-Brooks** gave a Parks and Recreation update. Jamie has a late voucher that she would like the Board to approve for payment for tickets to a show in NYC on 12/5. The Board is approving the voucher but asked that Jamie plan ahead better to avoid abstract add-ons. Jamie is in the process of applying for grant moneys from the County for 2017 programs for children and needs Supervisor Mathews approval and to sign the form.

- **Brent Gotsch,** ZBA Chairman, reported that there has been no business before the ZBA.
- **Jim Stangel,** Planning Board Chairman, gave a brief summary of business that has been before the Planning Board.
- **Dave Moore** reviewed with the Board the distribution of the $10,000 prize that was won by Neversink Renaissance. $4,000 is going to Little League for a dugouts, $4,000 is going to the Museum for the next phase of the Lost Farm project up on the hill and Neversink Renaissance is going to keep $2,000 and is looking into possibly purchasing replacement banners for the Town. Dave is inquiring if the Town is interested in completing for the top prize in next year renaissance program. He is also working on re-structuring the flower watering person(s) for next year so there is coverage for late August and September.
- **Ken Walter** had the following comments:
  - He feels the Planning Board Minutes are not being done in the proper format. Some examples: Attendance should be at beginning of minutes, motions should be set aside as a motion showing how individuals voted and it is not clear who is the alternate member.
  - Snow jacks should be installed on the metal roof at the Highway Department to prevent someone getting hit by snow sliding off the roof.

Seconded by: Planning Board Member, Andrew Schwartz
Approved by **UNANIMOUS** vote: AYES 5 NAYS 0

PRESENTATIONS:

9.-1-14 & 9.-1-5 - SCHOENBURG FAMILY, LLC - Preliminary discussion for a lot improvement application. Anthony Siciliano was present to represent the Schoenburg Family, LLC. Anthony had a question as to whether or not he would have to survey the piece of parcel 9.-1-14 that is across the road from the piece that will have the lot improvement. After a long discussion the board members agreed that the best way to approach the application would be to survey the piece of parcel 9.-1-14 that is on the same side of the road as 9.-1.5 for the lot improvement. First there will be a natural subdivision application filed to address the piece across the road and then there will be a lot improvement application submitted to address the piece that will be sold to Anthony's client. There will only be one map needed. Since this was

only a preliminary discussion, a vote was not necessary.

17.-1-22.1 & 17.-1-22.2- MARY JANE & JAMES DONELLI- Lot improvement application Anthony Siciliano was present as well as James Donelli to present this application. The purpose of this lot improvement is to take off 1.34 acres from lot 17.-1.22.1 and add it to 17.-1-22.2 to make it 6.36 acres and address an existing easement for a driveway right of way on that parcel. James is selling 17.-1.22.2 and wants to eliminate his liability to maintain the driveway once the house is sold. A motion to **APPROVE** the lot improvement was made.

Moved by: Planning Board Member, Phil Coombe, III
Seconded by: Planning Board Member, Dave Forshay
Approved by **UNANIMOUS** vote: AYES 5 NAYS 0

21.-1-11 & 29.-1-2 – RODNEY CORNELIUS - Lot improvement application Bob Lounsbury was present to represent Mr. Cornelius. There are two lots that Mr. Cornelius owns and there is a barn that overlaps onto both pieces. He would like to take 6 acres from the one lot and move it to the other lot so that the barn is no longer encroaching. A motion to **APPROVE** the lot improvement was made.

Moved by: Planning Board Member, Phil Coombe, III
Seconded by: Planning Board Member, Dave Forshay
Approved by **UNANIMOUS** vote: AYES 5 NAYS 0

OTHER: Jim discussed the possibility of having one of the board members become a co-chairman in January. He has been thinking of not continuing after his term is up in 2020 and would like to have someone work with him to learn the position.
